* Image created for Graeae Theatre in a collaborative exhibition with Central Illustration Agency entitled 'Reframing The Myth'. Illustrators were paired with theatre members to create artworks inspired by their lives and experiences.

This is a response to Sean Burn's poem 'Cello Rain No12'

* I have a theory that the dearth of interesting graphic design when it comes to cricket is due to the fact that it has never been popular in mainland Europe or the US. Discuss?

This image was created for an exhibition entitled Present! to raise money for Indian street children.
